Camperdown is located in the Umgungundlovu District Municipality in the KwaZulu-Natal, South Africa, some 60km from Durban and 20km from Pietermaritzburg. The N3 freight corridor, supposedly the busiest in the country, runs through camperdown connecting Durban and Gauteng. With Durban being home to the busiest port in Sub-Saharan Africa and Gauteng being South Africa's economic heartland, it brings huge potential to Camperdown as a logistics, manufacturing and business hub.
